

Activity-2

Rally in view of World Ozone Day

15.09.2023

Brief Report:

On September 15, 2023, a rally was conducted by Dr. T Shali Saheb, Lecturer in Botany, with Science students. They carried placards and chanted slogans to promote the protection of the ozone layer and environmental sustainability.

The rally commenced from GDC and proceeded to the Bus stand, then to the Patel statue, then to the Ambedkar statue, then to the Government Junior College and finally returned to our degree college.
