CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Our Institution is affiliated to Rayalseema University, Kurnool. Curriculum is designed by the respective Board of studies of Rayalseema University. The Board of studies has adequate representation of senior most faculty members from our college. We strictly follow the curriculum framed by the University. The revision and up-gradation of the syllabi is done at the University level. The syllabi thus framed by the board of studies focuses on the recent trends in all disciplines to cater to the needs of the Student fraternity. Our college has an effective mechanism of documented curriculum delivery. At the commencement of each academic year, HoDs Meetings are held frequently to device the action plan for the effective implementation of curriculum. Periodical meetings with staff members are initiated to formulate the plan of action. The implementation of action plans are reviewed in the subsequent meetings. Academic Calendar is prepared as per the outcomes of HoDs meeting, academic schedule and the requirements at the department level as per the action plans formed. Each faculty member prepares a plan in every semester for the effective implementation of the curriculum. Based on the feedback and year-long practical experience, difficulties faced by the students are intimated to the respective Board of studies and to the Academic Council of Rayalseema University. A one day orientation is given to the new students by the principal followed by the respective Head of the Department. The mentor system enables us to deal with all aspects of the students' life inside our campus.
