NANDIKOTKUR, NANDYAL DIST.,
Andhra Pradesh**

DEPARTMENT OF HISTORY

PROGRAM SPECIFIC OUTCOMES (PSOs)

PROGRAM OUTCOMES (POs)

COURSE OUTCOMES (COs)

PSOs, POs, Cos MAPPING

Program Outcomes

PO 1	Domain Expertise: • Able to demonstrate a thorough understanding and grasp more academic subjects that are part of an undergraduate program of study.
PO 2	Effective Communication Skills: Effectively convey thoughts and ideas. Enhance the ability to present noteworthy information in a clear and concise manner to various groups.
PO 3	Critical Thinking: Evaluating and analysing arguments, assertions, and opinions using empirical data. The ability to identify relevant assumptions or implications and construct logical arguments. Critically analyse practices, policies, and theories by utilizing a scientific approach to knowledge acquisition.
PO 4	Critical Problem Identification & Solving: The ability to apply one's competences to solve unfamiliar challenges based on what has been learned. Apply one's learning to real-life scenarios.
PO 5	Teamwork / Coordination: Being able to facilitate a group's cooperative effort and act together as a group or team to achieve a common goal. Work effectively as an individual as well as a member of the team.
PO 6	IT literacy skills: The ability to utilize ICT in various learning situations. Using ICT tools to access, retrieve, and modify authenticated data using data analysis
PO 7	Life-long learning and Research related skills: Ability to habitualize self-learning and self-motivation Acclimate to the ever-increasing demands of the workplace and life. Skill in planning, conducting, and reporting the outcomes of an experiment or investigation. Ability to define a problem, test the problem, pose appropriate questions, and synthesize and articulate the problem
PO 8	Environmental Longevity: Get environmental awareness and follow eco-friendly practices to create a clean environment.
PO 9	Moral and Ethical Consciousness: Ability to live moral and ethical ideals and to use ethical practices in all aspects of one's job.

	Capable of demonstrating the ability to recognize ethical issues relevant to one's work, abstain from unethical behaviour, show respect for environmental and sustainability issues, and act impartially and truthfully in all aspects of one's work.
PO10	Effective Project Management: Determine the project's goals, objectives, and components, as well as the appropriate completion date. Plan and organize in such a way as to meet the targets on time. Be capable of recognizing opportunities and developing contingency plans

Program Specific Outcomes (PSOs)

PSO 1	Comprehensive Historical Knowledge Students will gain an in-depth understanding of significant historical events, movements, and figures from various periods and regions. This will enable them to analyse and contextualize past occurrences effectively.
PSO 2	Critical Thinking and Analysis Students will develop the ability to critically evaluate historical sources, interpret evidence, and construct well-supported historical arguments. This will foster a deeper appreciation for the complexities of historical interpretation.
PSO 3	Research Skills Students will acquire proficient research skills, including the ability to locate, assess, and synthesize primary and secondary sources. They will be able to present their findings clearly and coherently.
PSO 4	Comparative Historical Perspectives Students will learn to compare and contrast different historical contexts, cultures, and societies. This will provide them with a global perspective on historical development and cross-cultural interactions.
PSO 5	Effective Communication Students will enhance their ability to communicate historical knowledge and arguments effectively, both in writing and orally. This will prepare them for diverse professional paths and further academic pursuits.
