PROGRAMME SPECIFIC OUTCOMES (PSOs)

The Department of Political Science at Government Degree College, Nandikotkur, Nandyal District offers a three-year undergraduate program in Political Science, comprising six semesters. This program aims to empower students with a comprehensive understanding of Political Science as an academic discipline. Upon successful completion of the B.A. in Political Science, students will acquire the following skills and competencies

PSO1	Develop a comprehensive understanding of major political theories, ideologies, and concepts, such as democracy, authoritarianism, liberalism, conservatism, and socialism.
PSO2	Gain the ability to analyze and compare different political systems and institutions globally, including governments, political parties, and electoral systems.
PSO3	Learn to evaluate the formulation, implementation, and impact of public policies on various sectors, including health, education, and the environment.
PSO4	Enhance critical thinking and problem-solving skills to assess political situations, identify issues, and propose viable solutions based on evidence and logical reasoning.
PSO5	Develop proficiency in qualitative and quantitative research methods to conduct independent political research, including data collection, analysis, and interpretation.
PSO6	Acquire knowledge of international relations theories and practices, including diplomacy, international organizations, global security, and international political economy.
PSO7	Foster a sense of civic responsibility and engage in political and community activities, such as voting, campaigning, and participating in public debates and discussions.
PSO8	Improve written and oral communication skills to articulate political ideas and arguments clearly and persuasively to diverse audiences.
PSO9	Develop the ability to apply ethical reasoning to political decision-making, considering the moral implications of political actions and policies.

PSO10	Study and understand political behavior at both individual and collective levels, including voting behavior, public opinion, social movements, and political participation.
